CAMROSE LUTHERAN COLLEGE
LIBRARY

THIS BOOK IS LOVINGLY DEDICATED TO OUR INFAMOUS CLC STREAKERS OF '73-'74

To the Administration:

The student body of CLC would like to thank you for all you did for us this year; supplying us with wisdom, laughter and friendship. And a special thanks for the Agape Feast. Remember '73 - '74!

The beginning . . .

. . . of new experience

. . . of new hobbies

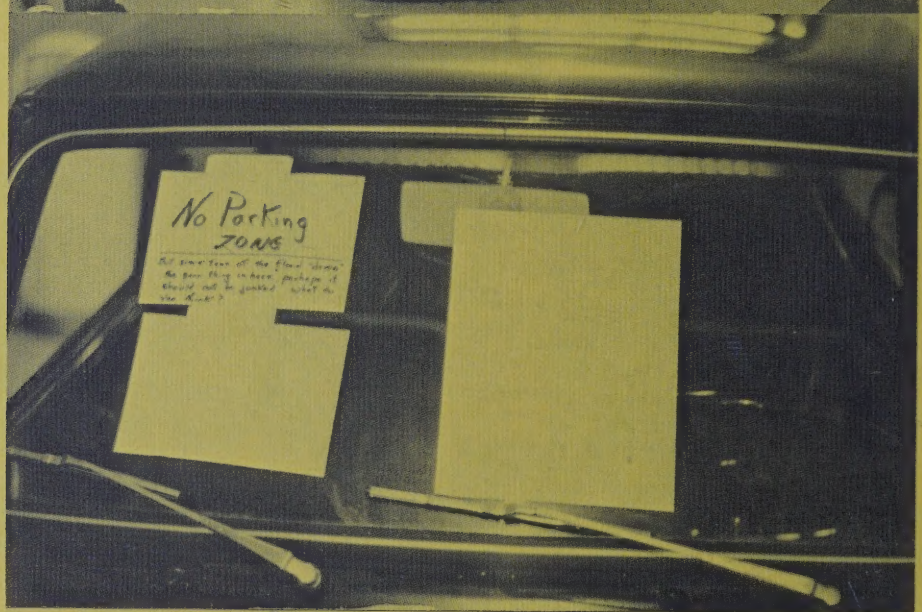
. . . of new friendships

. . . of new love

. . . of a new day

I'd do anything for you, Phil, everything.

Come away with me Landry, in my merry oldsmobile



We were out on a date in my daddy's car; we hadn't driven very far...

Boys, you're going to drive me to drinkin' if you don't stop hiding my Hot Rod Lincoln.

. . . meane

Wrestling

Left to right: Back row: John Tomkow, Coach Rev. Lunde, Rick Lewis; Front row: Tim Hohm, Dennis Becker, Bruce Pattison; Missing: Greg Kjos.

The wrestling team saw many members come and go through the season. Some like Darryl Pollock and Alan Syson left because of injuries, and others because it took too much of their time.

The team took part in tournaments at Vermilion, U of A, U of C. It also went to the ACAC championships in Lethbridge where Dennis Becker and Greg Kjos won second and third respectively in their divisions.

Greg Kjos also participated in the provincial championships. There he won a gold medal in the Intermediate Novice 163 pound class.

Goodbye,
Good luck,
and may
God's sunshine
pour on you
throughout
your life!

BOOM

Ralph Wright

We heard a shout,
And saw a Kraut,
We hit the dirt, then low we laid,
As through the air came a hand grenade,
It bounced three times or maybe four,
But that was it, there was no more.

BOOM

We're in a trap,
I heard a Jap,
I saw the gun,
Began to run,
Then came the smoke, I felt the pain,
The bullet had gone through my brain.

BOOM

Then came a tank,
That tank was Yank,
We took a chance, the Sarge and me,
And on the ground laid T.N.T.,
When it had come then up it blew,
But we're too close, so we went too,
We didn't stand a hope in hell,
At least we got the Yank as well.

BOOM

So many soldiers join the fight,
Not knowing whether its wrong or right,
And views from here and views from there,
But do you know that one will care?
For you see you've made a blunder,
The view you have is from six feet under.
